

Subscribe to the Twinsburg High School Sports Calendar

Receive schedule additions and changes automatically in Apple Calendar on your iPhone, iPad, and Mac.

Subscribe - do not import. Importing the file creates a one-time copy that will not receive future schedule updates.

Refresh frequency on iPhone and iPad: iOS and iPadOS refresh subscribed calendars automatically. Apple does not provide a setting for selecting hourly or another refresh interval on these devices.

Mac

Subscribe and set the calendar to check for updates every hour.

1	Open the Calendar application.
2	From the menu bar, choose File > New Calendar Subscription .
3	Paste the calendar subscription address shown on page 1.
4	Click Subscribe .
5	Enter a name such as Twinsburg Athletics and choose a color.
6	Set Location to iCloud if you want the subscription to appear on your other Apple devices.
7	Set Auto-refresh to Every hour .
8	Click OK .

If the Auto-refresh option is not shown during setup

1	Control-click the subscribed calendar's name in the Calendar sidebar.
2	Choose Get Info .
3	Open the Auto-refresh menu.
4	Select Every hour .

Check immediately on a Mac: Choose **View > Refresh Calendars** whenever you want Calendar to check for updates without waiting for the next automatic refresh.

Helpful notes

- Schedule updates may take a short time to appear.
- Keep the subscription address unchanged.
- If the calendar is hidden, open the Calendars list and make sure **Twinsburg Athletics** is checked.
- Adding the subscription to iCloud lets it appear on Apple devices signed in to the same Apple Account.
